

DECLARATION

I, Martin G. Reiffin, hereby declare that my residence, post office address and citizenship are as stated below next to my name; I verily believe that I am the original, first and sole inventor of the invention entitled: "COMPUTER SYSTEM with REAL-TIME COMPILATION" described and claimed in the attached specification, that I do not know and do not believe the same was ever known or used in the United States of America before my invention thereof, or patented or described in any printed publication in any country before my invention thereof or more than one year prior to my copending application Serial No. 425,612 filed September 28, 1982 and having the same title as above, that the invention was not in public use or on sale in the United States of America more than one year prior to said prior copending application, that the invention has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months prior to said prior copending application, that I acknowledge my duty to disclose information of which I am aware which is material to the examination of this application, and that no application for patent or inventor's certificate on this invention has been filed in any country foreign to the United States of America prior to this application by me or my legal representatives or assigns except as follows:

<u>Country</u>	<u>Filing Date</u>	<u>Serial Number</u>
Japan	September 27, 1983	179080/1983
France	September 26, 1983	83 15244
Great Britain	September 7, 1983	8323914

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and such willful false statements may jeopardize the validity of the application or any patent issued thereon.
